ACHIEVE YOUR GOALS

TOP 3 REASONS YOU WANT TO CONSIDER OUR PROGRAM

1. We know you “hate” attorneys. But, lawyers are a “necessary evil” to a business owner. If you have to deal with a law firm, why not consider a firm that protects you, reduces your legal fees, and helps you grow your business, all at the same time?
2. Reduce your legal risks of exposure to lawsuits through a proactive legal program designed to support the growth of your business.
3. Focus on growing your business and delegate the “annoying legal stuff” that you know you should be doing, but are not.

We help you **PROTECT** your business:

THE ANNUAL CORPORATE PROTECTION MAXIMIZER™

- Ensure your corporation is being used properly to protect your assets.
- Identify any hidden time bombs in your past corporate minutes, by-laws, and actions.
- We serve as your legally required Registered Agent.
- We provide ongoing corporate maintenance, annual minutes, required filings, by-laws, and corporate resolutions.

We help you **CONTROL COSTS:**

THE ONE QUICK QUESTION SOLUTION™

- Reduce your legal fees by not being “nickled and dimed” for asking one quick question. No more hourly bills for a “five minute call.” Quick questions are included in your annual fee.
- Our team is committed to a 24-hour turnaround on legal questions or e-mails to answer the “one quick question” when it arises in your day to day business.

THE CONTROLLED FEE PROMISE™

- Your annual fee will typically cover the legal work you need throughout the year. If not, we make two promises:
 1. All of our clients receive a 20% reduction in legal fees for all additional legal work needed to support your business.
 2. The Your CorporateCounsel™ Toolbox provides capped flat fees on certain legal strategies, tools, and processes that may be necessary to support your business.

We help you **GROW** your business:

THE ONE YEAR FOCUS ADVANTAGE™

- Once a year, in an intense, focused brainstorming session, you strategize with your CPA, financial advisor, and attorney on key issues that help you grow your business.
- Our existing clients report that The One Year Focus Advantage is their favorite part of the program.
- During this session you will:
 - Measure your progress from the past year
 - Strategize on how to overcome your biggest dangers, frustrations and roadblocks to grow your business
 - Explore ways to maximize your current greatest opportunities
